

Claire Carden

Software Engineer

(817) 233.9336 · smclairecarden@gmail.com · Fort Worth, Texas · github.com/smclairecarden

SKILLS

Languages - JavaScript, HTML, CSS, Python | **Libraries and Frameworks** - React, Node.js, Express.js

Database - PostgreSQL, MongoDB, Mongoose | **Other** - RESTful Routing JSON

SOFTWARE DEVELOPMENT PROJECTS

January 2022-Present

Queen-Collector - <https://queen-collector.herokuapp.com/>

- Prompt: Design a full-stack CRUD application using Node, Express and MongoDB.
- Utilized a MEN stack to build a full stack application in a week. With full create, read, update, delete (CRUD) operations hitting all RESTful calls.
- Styled the application using Styled-Components and CSS3 with flexbox layouts.
- Enables the storage and manipulation of user data.
- An app for fans of RuPaul's drag race to share and favorite drag queens they love.

Mongoose Flights

- Created a full-stack CRUD Application.
- Utilized a MEN stack to build a full stack application with full create, read, update, delete (CRUD) operations hitting all RESTful calls.
- Styled and created the visual aspects using Bootstrap, HTML5, and CSS3
- Renders appropriate scenarios for the end user.

Connect-Four - <https://clairecarden-connect-four.surge.sh/>

- Created an interactive browser game using HTML and CSS.
- Coded game logic using Javascript.
- Renders a responsive, appealing and accessible user experience.
- Implemented light/dark mode using a combination of JavaScript and CSS.
- Scalable future development.

PROFESSIONAL EXPERIENCE

Texas Ballet Theater **Assistant Stage Manager** | Fort Worth, Texas

November 2021 - December 2021

- Supervised talent and crew backstage during performances.
- Ensured performances ran smoothly for Texas Ballet Theater's production of The Nutcracker by being backstage with the performers.
- Corresponded with the production stage manager on backstage activity to ensure transitions between scenes ran smoothly.

Various Production Companies, **Office Pa** | Dallas, Texas

December 2020-October 2021

- Various commercials for various production companies in Dallas, TX.
- Arranged travel and accommodations for clients, producers, cast and crew.
- Acquired all items needed to make a shoot run smoothly
- Assisted on set and in the production office during filming to ensure the most was made of every day.

School of Rock National Tour **Head Child Guardian** | United States

October 2018 - June 2019

- Communicated the daily schedule to the talent's parents and between parents and management when problems came up.
- Supervised 16 child actors and a team of two guardians from the moment they arrived at the theatre until they left post show. Ensured they went to group warm-up, were ready on time, and got to where they needed to be during the show.

EDUCATION

GENERAL ASSEMBLY | REMOTE

Software Engineering Immersive

January 2022 - April 2022

Full-stack software engineering immersive student in an intensive, twelve-week, 450+ hour program focused on product development fundamentals, object-oriented programming, MVC frameworks, data modeling, and team collaboration strategies. Developed a portfolio of individual and group projects.

Texas Christian University | Fort Worth, Texas

Bachelor of Fine Arts, Theatre Production

May 2013
