

## Projects

### Chores Simplified

- Prompt: Design a full-stack CRUD application using Python and Flask.
- Build a full stack application in a week with full create, read, update, delete (CRUD) operations hitting all RESTful calls.
- Styled the application using Styled-Components and CSS3 with flexbox layouts.

### The Queen Collector

- Prompt: Design a full-stack CRUD application using Node, Express and MongoDB.
- Utilized a MERN stack to build a full stack application in a week. With full create, read, update, delete (CRUD) operations hitting all RESTful calls.
- Styled the application using Styled-Components and CSS3 with flexbox layouts.
- Enables the storage and manipulation of user data.

### Connect Four

- Created an interactive browser game using HTML and CSS.
- Coded game logic using Javascript.
- Renders a responsive, appealing and accessible user experience.
- Implemented light/dark mode using a combination of JavaScript and CSS.

## Education

### Software Engineering, General Assembly

01/2022 – 04/2022

Full-stack software engineering immersive student in an intensive, twelve-week, 450+ hour program focused on product development fundamentals, object-oriented programming, MVC frameworks, data modeling, and team collaboration strategies. Developed a portfolio of individual and group projects.

### Bachelor Of Fine Arts Theatre Production, Texas Christian University

## Claire Carden

📍 Fort Worth, Texas

## Professional Experience

### Assistant Stage Manager, Texas Ballet Theater

11/2021 – 12/2021 | Fort Worth

- Supervised talent and crew backstage during performances.
- Ensured performances ran smoothly for Texas Ballet Theater's production of The Nutcracker by being backstage with the performers.
- Corresponded with the production stage manager on backstage activity to ensure transitions between scenes ran smoothly.

### Office PA, Various Production Companies

12/2020 – 10/2021 | Dallas

- Various commercials for various production companies in Dallas, TX.
- Arranged travel and accommodations for clients, producers, cast and crew.
- Acquired all items needed to make a shoot run smoothly
- Assisted on set and in the production office during filming to ensure the most was made of every day.

### Head Child Guardian,

School of Rock National Tour

10/2018 – 06/2019

- Communicated the daily schedule to the talent's parents and between parents and management when problems came up.
- Supervised 16 child actors and a team of two guardians from the moment they arrived at the theatre until they left post show. Ensured they went to group warm-up, were ready on time, and got to where they needed to be during the show.
